Crisis Counselor, Louisiana Spirit Crisis Counseling Program

2016 - 2017

Acadiana Area Human Services District

302 Dulles Drive

Lafayette, LA 70506

In response to The Great Flood of August 2016, FEMA and SAMSHA called upon qualified individuals able to respond to the needs of survivors suffering from this disaster under the auspice of the Louisiana State Department of Health and Hospitals and the Office of Behavioral Health.

Duties include collecting and providing information regarding resources and services available in the community; provide outreach crisis counseling/de-escalation when needed, establish mental health interventions via support groups, teach coping skills and stress management techniques to survivors as well as assist them in creating long-term recovery plans. Services extend to both adults and children.

As a crisis counselor I received a plethora of training issued by the state. A full training list is available upon request.
