

# PROCESS OF REHABILITATION OUTCOMES (PRO) LABORATORY

- Are you interested in Psychology, Criminology, Medical Sociology, and Public Health?
- Do you enjoy discussing psychological processes and outcomes with peers/professors?
- Are you contemplating applying to Graduate School?

## PRO Lab wants you!

Dr. Yang & Dr. Perkins are interested in expanding their laboratory members for the fall semester. Prospective students are encouraged to join Lab meetings to see if research interests are compatible with Lab activities. Contact Lab Managers/Graduate Students for details.
